I would love to hear more about how you came across a 35mm print of the movie! Is this the original.. Very cool project, as usual Taoworm! As a film guy tho - I gotta ask what you're doing with the aspect ratio? Since it was shot for TV they shot for 4:3 format, and you're adjusting the 35mm print to be in a 16:9 format by distorting the frame - all the circles (tires, kitt's 'eye') are now ovals for instance.
